TAKEN IN EVENING SUIT.

Mrs. Anna Stetson's Adopted Son Had Tools Hidden

in Dress Clothes.

Mrs. Anna Stetson, whose fine home on Franklin Avenue, New Rochelle, is fachded guilty before Judge Swin-bourne in the New Rochelle City Court to-day to the larceny of \$10 Woodside Station of the New York, slender, soft spoken young member of the New Rochelle T. M. C. A. has been doing for the last two years had been attributed by railroad detective

beries from Mount Vernon to Stamford, the agent believed the suspi-cious visitor needed watching and telephoned the solice. A nelicemen telephoned the police. A policeman came, passed his hands ever the natty evercoat were by the young man and when his fingers encountered comothing hard he arrested him and marched beneath his evening

clothes.

The policeman found a small hammer, a chiest, acrewdriver, pair of pliers and a bunch of false keys, any che of which would fit the ordinary lock planed on telephone or alot machine boxes. Saying no word of explanation, the prisoner went to jail.

But before he appeared for arraignment to-day the lad's foctor mother visited him in his cell and to her he visited him in his cell and to her he poured out his whol wretched weight of conscience burden. To-day in her home Mrs. Stetson tol. of the young thief's life and repeated the reve's-

When he was two years old, Mrs. Stoton adopted an orphan of Swiss marks and gave bim the Same of quitting that position a year later t become a ticket seller and assistant Theatre. Robert A. Fedrow was treasurer at the time.

"My boy told me that as soon as he come under these influences he began to learn the seamy side of life," said north. Mrs. Stotson. "A man in the theatre's yesterday did I know \$13 was all he was making, and that the other \$15 was stolen money. He confessed this much to me in his cell.

"Barrymore did not drink, nor did he have anything to do with women. But this man taught him to gamble and most of his money passed from him over the green table. It was, I believe, to recoup his loses and possibly, to help cover defaloations in the theatre's beels that Harrymore began to stad from the railroad stations. The other man was caught and sent to prison last June, but my boy was not suspected and continued his position.

"He would go to dances—or tell me he was going to dances—almost every night, when in reality he visited railroad stations all the way from Stamford to Mount Vernon, and either broke open or picked the locks of cash boxes and stole hundreds of dollars. He hasn't a penny of this money now." and most of his money passed from

In every place they "Estimates from various sources, some official, state that their lesses for a single night's fighting, giving them nowhere an advance of a single yard of territory, was assuredly not fewer than 30,000 dead on the ground and three times as many wounded e dead within their own lines.

"Germans have been captured lately in whose possession was found the last proclamation of the Kaiser that "if I am compelled to retire from Poland I will leave standing neither a house nor town but only the bare earth under foot."

AUSTRIANS CAUGHT IN TRAP ON THE NIDA RIVER, GENEVA HEARS.

GENEVA (via Paris), Jan. 9 (Asociated Press).-The Austrians have been caught in a trap skilfully set by Gens. Russky and Ivanoff, according to advices from a Hungarian source received here without first passing through the hands of the censor.

In conformity with the Russian plan, the advices say, the Austrian columns pushing toward the Nids River found themselves stopped by dangerous, marshy ground. At the same time the Russians attacking Cracow suddenly abandoned their original plan but resumed their attack in a totally unexpected manner.

Select List of Women They Says Municipality Should Not Think Public Schools Should Be Named After.

THINK LADIES SLIGHTED

Say Military Heroes Have Been Glorified, Women Overlooked in Choosing Names.

Because only sixteen out of two suffragists have decided to draw up a list of women "immortals" whose names are worthy of commemoration in this fashion. The list given below is the result of suggestions by many suffrage workers, and is made up alwomen who are no longer living. The Suffrage League, which was asked to undertake the work of compilation by Mrs. Carrie Chapman Catt, chairman of the Empire State Campaign Committee. But the seventy names published are thought to des merited by the greater number male "immortale," so called

This is the list:

"In choosing the names," said Mrs women who were not merely great in pressed regret that in the list of men's sames suggested for the schoolhouses, military heroes are glorified out of all proportion to the heroes of peace.

"Some military heroes deserve to be But military glory is likely to be an effulgence that absorbe the landscape.

#### NEU AND DR. WOLF WILL **OUIT AS COMMISSIONERS**

Decide Not to Defy Governor and Will Resign From Civil . Service Board.

State Civil Service Commissioner

Jacob Neu of Brooklyn and Dr. Meyer Wolf of Manhattan have followed the example of Davy Crockett's coon and agreed to come down. They are going to resign, although they have hotly averred, up to to-day, that they would never resign. They were going to defy tempted to arrest two bandits robbing the Governor and force him to use the Legislature to put them out of office. Neu and Wolf are Tammany men. Their fellow commissioner, James Lavery of Poughkeepsie, a Republican, sent in his resignation several days ago. Since then, Ney and Wolf have been doing some cogitating. Finally, they proposed to Gov. Whit-man that they would resign, if he would formally request their resignations and would give them time to finish up their investigation of the Municipal Civil Service Commission, now under way. They will be allowed to complete this investigation and re-sign on their own terms.

# POLICEMAN MAY DIE,

Traffic Man's Skull Practured as He Clears Way for Speeding

Traffic Policeman Frank Fearon of the Adams Street Station in Brooklyn, is on a cot in Brooklyn Hespital with his life in the balance as the result of his efforts to clear growded Fulton Street in advance of a Fre Patrol motor truck answering

Fearon's post is one of the busicet in Brooklyn—at Fulton and
Washington Streets. Shortly after
noon to-day he heard the gong of the
Fire Patrol truck as it came racing
down Dean Street.
Fearon began to clear a way through
the land of pedestrians there. He
jumped to the left as the truck started to swing around the corner, svidently miscalculating the width of the
arc the bag machine would take.
The front of the truck struck the
policeman and hurled him fifteen feet,
but the machine did not stop. A doctor found he was suffering from internal injuries and a severe fracture of
the skull. Ittchel, City Chamberlain Bruere and

Judge Elbert H. Gary, head of the United States Steel Corporation and Chairman of the Mayor's Committee It is the contention of the Comptroller taht "passion for advertising"

ment.
"Mr. McAneny proposed that the
Committee on Social Welfare, which
consists of the Mayor, President Mathewson and Mr. McAneny himself as
Chairman, should co-opt was with
the Commissioner of Charities.
"I then suggested the Comptroller
should be added to the committee
and the Roard unanimously approved. nonths mother and son fived in igorance of the couple's whereabouts They did not suspect they were together.

The missing link in the chain of evidence was supplied by the mother.

Mrs. Wood wept during her recital and Justice Cohalan frequently called a feuilly, France, was a passenger aboard in the proceedings to permit Mrs. Wood to regain her composure. She left a hospital yesterday and was hardly in a fit condition to take the stand.

"I received a summons to visit my husband in Chicage," Mrs. Wood testifled. "I did not tell him when Michael F. Gibbons was shot and in-stantly killed here to-day when he atwould arrive there, but I get in one evening and immediately went to his home at No. 2228 Milwaukee Avenue. the safe of the Delmar Avenue station of the Wabash Railroad. The servant let me in.

"I walked into a bedroom and as I opened the door my husband sprang out of bed. As he came to the door Lelia, my son's wife, jumped out of the same bed and ran to the window. "What does this mean? I do-

mended, and my daughter-in-law in a shrick told me that she loved my husband—her father-in-law. I tried to persuade them to behave them selves and return to their homes, but my daughter-in-law wrapped her arms around my husband and said she wouldn't leave him."

After this incident Mrs. Wood returned to New York. She again paid the couple a visit in St. Louis to persuade them to return to their homes, but found both determined to remain together.
